

Christmas Edition 2010

TAUBERSCHMIDT'S NEWS

Dear friends,

Christmas greetings from South-Korea! This year I am writing our English newsletter from South-Korea, where I am teaching Koine Greek for future Bible translators at the Handong University.

In Aug/Sept I was already here to teach Biblical Hebrew.

It is exciting to see motivated young Christians to

get prepared in order to bring the Good News of Jesus Christ to people who would otherwise not have a chance to get to know him.

I am privileged to be part of this important work. After all, the instructions to spread the Good News come from our Lord Jesus himself. And he promised to enable his disciples to carry out his Great Commission.

If anyone would like to support us in this project, please find the necessary information on the bottom of the next page.

Our son Manuel is now in his third semester studying social work and Christian education in Darmstadt.

He moved into another flat with a friend who is studying with him. Besides studying, he leads a small international group and will be starting a boys youth group with two other guys in January.

Marietta moved out recently and is now living in Ludwigsburg where she is studying early childhood education and instruction. She now has a boyfriend, David, who is also a good friend of Manuel. He is studying medicine in Erlangen.

So our children are growing up and are becoming independent, which is good.

Hiltrud is keeping herself busy with various jobs and is involved with church work.

Thanks to those who are supporting the work of Bible Translation. We wish you all God's blessings, a merry Christmas and a happy New Year.
